Dear Parent/Carer,

As part of our determination to continue to provide excellent education and service to our SEND pupils and families, we would like to thank many of our parents/carers for giving their valuable and positive feedback during our Ofsted inspection in July 2021.

Following our Ofsted inspection findings, we have set up a parent/carer questionnaire to gather additional views and information in order that we can improve our SEND provision further. The questionnaire can be found at: <https://forms.gle/2GvZTYcCBB14sb8v8>

We should be grateful if you would respond by Monday 11th October 2021.

We are committed to working in partnership with parents/carers and therefore we will continue to take on board and act on any reasonable concerns.

Mrs Leafe has returned to school today which is wonderful news. Mrs Leafe has asked to relinquish her SENCO role and this change will take place with immediate effect. This will give Mrs Leafe time to concentrate on her Designated Safeguarding Lead role, which as you know is very busy at Bourne Abbey due to the size of our school. I know that many of you will want to join us in thanking Mrs Leafe for her passion and dedication in her role as SENCo. Miss Peck, Miss Seymour and Mrs Buttress will continue to support our SEND children and families, as they have done this term.

We will give parents/carers further regular opportunity for feedback in the future, but can we please ask you to let us know immediately if you have any concerns on any matters. If we know about concerns straight away we can work together to resolve them as quickly as possible.

Your sincerely

Mrs Sarah Moore
