Dear Parents/Carers

Although we are still operating in our class bubbles we have, after review of our 'live' COVID-19 risk assessment, started to reintroduce some activities where we believe we can safely do so.

We have also had an increasing number of queries from parents/carers about sending in birthday sweets and following that review I am delighted to confirm that children may begin to bring sweets in to school for these special occasions.

Sweets must be individually wrapped and should be sent in 48 hours before the big day so that they can be quarantined before going home. Distribution will be restricted to the class bubble.

Yours sincerely
