BOURNE ABBEY UPDATE

'LIVE' COVID-19 RISK ASSESSMENT

The Senior Leadership Team continue to meet regularly and update the 'live' COVID-19 risk assessment which is available to view in the school office.

DANGEROUS DRIVING

A number of parents/carers have raised concerns about dangerous driving around the school at drop off and pick up times. We have sought advice from Lincolnshire Road Safety Partnership and whilst Road Safety Officers do not have any policing powers to use in cases of driving without due care or attention, they have provided us with details of the Lincolnshire Police on-line reporting facility for members of the public to report driving offences. Please see the link below

[Report a driving offence \(lincs.police.uk\)](https://lincs.police.uk)

DROP OFF AND COLLECTION ROUTINES

We have noticed a relaxation of caution at both drop off and collection times and would like to remind you that our morning and afternoon arrangements remain the same at the present time and when we return in Term 6.

- Only one adult should drop off and collection your child/ren
- Children should be brought onto the playground by an adult
- You should continue to abide by the one-way system in operation
- Children must remain with parents/carers while waiting on school grounds - please don't let them run around
- You should not congregate in groups, either whilst waiting for or after collecting your child/ren.
- You should be considerate to other pedestrians when waiting on the footpaths around school

We have been so grateful for your support with these arrangements over the past 18 months and would very much appreciate your continued understanding.

THANK
YOU!

CONTACT DETAILS

If you have recently changed your address, telephone numbers or email please ensure you update your details at the front office.

It is important that the information we hold for you is up to date.

TERM 6

The children return to school for Term 6 on Monday 7th June

We wish you a happy half-term break.
