4th November 2021

Dear Parent/Carer

SCHOOL CAR PARK

Those of you who use the school car park when dropping off and collecting children at Kids' Club and Abbey Ark will be aware that the challenges we face with parking every morning are being exacerbated by the need to have a contractor's compound on-site for our roofing works.

We have therefore taken the difficult decision to close the car park to parents and carers in the morning while the roofing works are being carried out and would therefore ask you to park off site when you drop off your child(ren) please.

Access will still be available for collection after school.

Please accept our apologies for any inconvenience caused.

Yours sincerely

Mrs S L Buttress
Head of School
