Thank you to all of you who have been able to collect your packed lunches so far this week. From next week our caterers are going to provide a weekly grocery pack to our free school meal families instead of a daily packed lunch. The pack will include a range of ingredients from the various food groups e.g.

4 Lincolnshire sausages

200g block of cheese
1 head of broccoli OR carrots
1 semi skimmed milk
5 pieces of fruit

1 can baked beans or chopped tomatoes (to be confirmed with suppliers)

Further details about the distribution/collection of the packs will follow but in the meantime we do need you to confirm please that you would like a pack by **1.00 p.m. on Wednesday 25th March 2020**. Please note that where more than one child in a family is entitled to claim free school meals, more than one pack will be provided.
