

ABBAY ACADEMIES TRUST
Executive Headteacher: Mrs S J Moore

10th September 2020

Dear Parents/Carers,

Following some extremely valid feedback from some of you, I would like to firstly reassure you that we will only be contacting you to collect your children from school if we genuinely feel they are unwell or have coronavirus symptoms. We understand this may be frustrating at times but I know you will appreciate our 'belt and braces' approach to this is because we want to protect all our children and staff.

We also appreciate that we need to have a level of trust that if your child has shown coronavirus symptoms you will follow the advice from the Government and Public Health England and will either contact your GP or 111 **before they return to school**. This means you will have followed the correct advice before they return to school and their class bubbles. We are extremely mindful to avoid upset in the morning at the school gates for you and your children.

Thank you again for such positive feedback and for your ongoing support and understanding in such challenging times.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S J Moore', written in a cursive style.

Mrs Sarah Moore
National Leader of Education
Executive Headteacher
