Dear Parents/Carers,

Please find attached a copy of a letter which was sent out to parents/carers along with our FAQs for our return to school in September.

The school day will start for Reception at our normal time of 8.55 a.m. Parents/carers will be able to take their children to their classroom door to support transition.

We are looking forward to welcoming all of the Reception children to school full-time from 6th September. We are, of course, aware that the children have not been able to enjoy our usual transition visits and we will do our utmost to make certain that their introduction to Reception is as smooth as possible. We care very much about all of our children, especially our very youngest, and do understand that parents/carers want to make starting school a special memory. Please be reassured that from your child's first day with us we will ensure that they have a happy, settled and exciting start to their time as part of the Bourne Abbey family.

Please do take the opportunity to watch both our Reception and whole school virtual tours again during summer. You can find them at:

A special letter from your child's teacher will be posted this week along with an additional transition booklet which you will be able to share with them during summer.

Should you have any questions or worries please do get in touch.

Yours sincerely

Mrs Sarah Buttress
Head of School
