Dear Parents/Carers,

## SAFER INTERNET DAY 2020

This year, Safer Internet Day is on Tuesday 11<sup>th</sup> February 2020. Each year, the UK Safer Internet Centre chooses an annual theme that they think best suits the current landscape of online safety and the issues that young people may face. The theme for this year is 'Together for a better internet' with a focus on **online identity** and children will be encouraged to explore how they manage their online identity and think about how the internet influences how they view themselves and others. By opening up conversations around online identity, we aim to inspire young people to support each other in being who they want to be, celebrate difference and help work towards creating a truly inclusive internet.

In addition to celebrating Safer Internet Day through Collective Worship and individual lessons, we are delighted to be able to welcome *One Day Creative* in to school to lead online safety workshops with the children.

## ONE DAY CREATIVE PARENT/CARER WORKSHOPS THURSDAY 6<sup>TH</sup> FEBRUARY 3.30 – 4.30 P.M.

As part of our safer internet day work, we are delighted to be able to offer parents/carers the opportunity to attend a workshop at school on **Thursday 6<sup>th</sup> February 3:30 p.m. to 4:30 p.m.** This online safety session aims to equip adults with the appropriate information for those tricky conversations with their children and provides guidance on the current issues of a child's online world. The session will give parents/carers the tools to keep children and parents safe online, whilst encouraging a healthy use of the internet and the technology that surrounds us.

The session will explore:

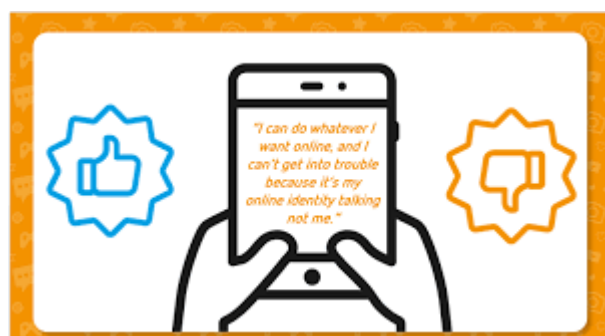

- Online security, including passwords and parental controls
- Cyberbullying and peer pressure online
- Explore online gaming and in-play risks
- How to approach difficult conversations about online safety

If you would like to attend please complete and return the attached slip by Thursday 30<sup>th</sup> January. If at that time the workshop is oversubscribed names will be drawn from a hat. Please note that on this occasion children may not attend. This is to ensure that parents/carers have the opportunity to discuss issues which may be difficult to raise with children present.

We look forward to seeing you there.

Yours sincerely,

Miss G Huggins  
(E-Safety Co-ordinator)
