18th November 2021

Dear Parent/Carer of Year 2 and Year 6,

You will know from our dates for diaries that at this time of year we usually run a series of workshops which encourage parents/carers to come into school and work with their child on a one-to-one basis. Due to COVID-19 restrictions we are unfortunately unable to provide these workshops in their usual format. Instead, our wonderful staff team, have produced an online version each for Year 2 and Year 6. This worked especially well last year and we actually reached more families which we hope to do again.

The workshop is a fun and enjoyable way of allowing parents/carers to find out exactly what the children are learning in class. Our focus this time will be on reading.

To take part in the online workshop parents/carers do not need any particular skill, as the activities are explained by the teachers and are designed to be completed alongside your own child. You can access the workshop through your child's home learning Seesaw account from Thursday 25th November.

Class teachers have discussed the online reading workshops with the children and we are sure that you will enjoy completing the activities set with your children. You are welcome to upload any completed work and feedback to Seesaw for your child's class teacher to look at.

We hope that you find these workshops beneficial in further supporting your child's reading development.

Yours sincerely

Mrs S L Buttress
Head of School
