Dear Parents/Carers,

RECEPTION CURRICULUM VIDEOS

At this time of year we would usually hold a 'Reception Curriculum Evening' for parents and carers of children in our Reception class. Due to the COVID-19 restrictions this will not be possible this year, although we are eager to share with you the stunning learning environment that has been created for your children, as well as key information about the learning that will pave the way for their success in school.

With this in mind, we have put together a virtual representation of the evening. Within the video accessed by the link below, you will find out all about the teaching of phonics, reading and maths; including ways you can support your child at home. There are also some fabulous insights into what the children get up to each day across the setting through our continuous provision.

We hope you enjoy the videos the teachers have made which you can find on our school website and Facebook page today. You can also find the video by using the following link:

<https://youtu.be/oXOIIcx-XIU>

We would greatly appreciate your feedback and as always, and we will be sending a transition questionnaire to our Reception parents and carers next week to canvas your views. If you have any questions please do not hesitate to contact us.

Kind regards,

The Early Years Team
