Dear Parents/Carers

## END OF YEAR REPORTS

This year, your child's report for the academic year 2019-20 will be posted to you over the next few days. Whilst this has been a very different academic year due to Coronavirus and school closure, we hope that you will find it a useful and constructive document and that it gives you a clear and positive picture of your child's progress at school. We have focused on their achievements prior to school closure and given an indication as to whether we felt your child was on track to meet their current year group expectations before school closed, using any assessments which had been carried out prior to closure.

Due to COVID-19, this year schools are not required to give parents/carers details of attendance at school and there are no statutory test results to report.

We do not hold formal parent/carer consultation evenings in the summer term, but the teachers will be available to speak to you on the telephone should you wish to discuss the content of the report.

We would invite you to provide the usual feedback on your child's report via email to [BAP.enquiries@abbeyacademies.co.uk](mailto:BAP.enquiries@abbeyacademies.co.uk). In the subject line, please insert REPORT followed by the surname of your child's class teacher.

Yours sincerely

Mrs S J Moore  
Executive Headteacher
