Dear Parent/Carer

We are thrilled to announce the launch of our new school website, Facebook and Twitter pages.

The website, which can be found via the address www.bourneabbeyprimary.co.uk, will be launched this Thursday 5th March 2020. The new website includes an improved calendar featuring key events and term dates; an improved navigation structure and updated curriculum and year group pages. You will also find the 'latest news', which features new news stories as well as archived stories from the last two years.

We are also launching our new Facebook and Twitter pages.

For Facebook, search and follow the Bourne Abbey Academy page.

For Twitter, follow @Bourne_Abbey.

Facebook and Twitter are great ways to communicate school news, photos, videos and upcoming events and we will be sure to keep you up to date using these social media channels. You will remember that we asked parents and carers to complete our new Multi-Purpose Parental Permission and Consent form which covers the use of information on the school website, school printed publications (e.g. prospectus) and school social media (e.g. Twitter, Facebook and YouTube). Please also remember that it is your responsibility to let us know if you want to change or withdraw your agreement at any time.

We hope you feel our new website improves accessibility of key information, sets out statutory documents clearly and showcases our fabulous school. Later on this year we will be canvassing your views and opinions about our new website. In the meantime, as ever, please feel free to contact us with any comments or concerns. Enjoy browsing!

Yours sincerely

Mrs S L Buttress
