Dear Parent/Carer,

YEAR 4 ASSEMBLY COSTUMES

Wow! What an amazing start to the academic year. The children have returned to school with great enthusiasm and adapted well to the new routines. We are particularly enjoying our History topic Veni, Vidi, Vici, which investigates the legacy of the Roman Empire. We have already seen their enthusiasm for the topic, not only in their learning in class but also in their wonderful 'Take Care' homework.

We are really excited to showcase our learning with our virtual assembly which will be available on the website on 25th November. In preparation for the filming of our assembly, and to transport us back to the time of the Roman Empire we would like to invite the children to dress in either a Roman or Celtic costume.

Costumes can be very simple and do not have to be shop bought. Ideas for costumes can be found below, but feel free to design your own authentic creations. . If your child has a particular part in the assembly, we will give them further guidance as to what they could wear. We will also be sharing ideas with the children in class over the next couple of days.

Please could costumes be in school by week commencing 15th November so that we can begin filming.

If you have any questions or would like any support in organising a costume, then please see your child's class teacher.

Kind regards,

Mrs C Dickinson

Year 4 Leader
