23rd March 2021

Dear Parents/Carers,

For an exciting end to our 'Home is where the heart is topic', we are having a Design Technology day on Wednesday 31st March 2021. For this day of building and creativity, the children have been set with the task of building an eco-friendly house for Nim - a character in our focus book for English.

In order to support the children in creating their masterpieces, we should be grateful if your child could bring in the following items from home:

- A cardboard box for the structure of their house (This could be a shoe box or any cardboard packaging of a similar size)
- Clean, recyclable materials (Plastic, cardboard, paper etc.)

In order for the items to be quarantined, please could they be brought to school in a named, plastic bag by Monday 29th March 2021.

Any queries or questions, please do not hesitate to contact your child's class teacher.

Yours sincerely

The Year 4 Team
