19th March 2021

Dear Parents/Carers,

As part of our Design and Technology work we will be designing and making our own Greek flatbreads. This project will include tasting and analysing flavoured breads before designing a recipe and making a final piece to taste and evaluate.

We will begin this project next week. We will follow our 'live' COVID-19 risk assessment; ingredients will be purchased for a particular bubble and not shared between bubbles and all equipment will be cleaned and sanitised. Children will be encouraged to try each bread to inform their ideas.

As we will be eating the food in school, please do make sure we have up-to-date allergy information and contact your child's teacher if you have any questions.

Many thanks and kind regards,

Year 5 Team
