Pupil Premium Strategy Statement: Bourne Abbey Church of England Primary Academy REVIEWED SEPTEMBER 2020

1. Summary information	n						
School	Bourne Abb	ourne Abbey Church of England Primary Academy					
Academic Year	2019/2020	Total PP budget Based on January 2018 census. This figure does not include the money for the 4 LAC pupils whose funding is received through Virtual Schools. £163,120 Date of most recent PP Review July 20					
Total number of pupils Reception to Year 6	613	Number of pupils eligible for PP including Service pupils and LAC/PLAC pupils	133 (NB 24 pupils no longer at school from September 2019)	Date for next internal review of this strategy	July 2020		

2. Ba	arriers to future attainment (for pupils eligible for PP)
In-sch	nool barriers
Α	Attainment and, in some cohorts, progress of PP pupils falls behind non PP pupils in school.
В	A number of PP pupils are on the SEND register. In some cases, their emotional needs and behaviour can affect their attainment and progress.
С	Lower self-esteem amongst the group. Less confident with their oral language skills and communication which can affect their reading and writing in particular (not service pupils).
D	Lack of confidence compared to many others in school (not service pupils).
Exter	nal barriers
	Attendance for pupils eligible for PP (95.4%) is below the whole school average of 96.2% (2018-2019). This reduces their school hours and causes them to fall behind.
	A number of PP pupils (9 at the end of 2018-2019) are persistent absentees
	Oral language skills and communication in Reception (and in other year groups) are lower for some pupils eligible for PP than for other pupils.

Some of the group (42 pupils) are also vulnerable in other ways and in some cases, display challenging behaviour at school and at home. Their emotional readiness for learning can be a barrier to their progress.

3. 0	Outcomes	
	Desired outcomes and how they will be measured	Success criteria
1	Improved oral language skills for pupils eligible for Pupil Premium (especially in Reception and Year 1) which impacts on their reading and writing ability.	At least 80% of pupils eligible for PP achieve GLD. PP pupils in year 1 pass the phonics test. Pupils are more articulate, are involved in discussions in lessons. More children meet the expected standards in reading, writing and maths.
2	Higher rates of attainment and achievement for ALL of the Pupil Premium pupils, including those that are more able.	The difference is diminished or closed between pupils eligible for PP and other pupils in school and nationally. All PP pupils make at least good and better progress.
3	Increased confidence, engagement and behaviour of Pupil Premium pupils within their class and around school.	Self-esteem has improved for all PP pupils and their individual profile in school is more visible.
4	Ensure all Pupil Premium pupils attend well. Continue to increase attendance of persistent absentees to be more in line with whole school average.	All Pupil Premium pupils attend school well. Improve overall PP attendance to be more in line with the whole school attendance figure. Reduce the number of persistent absentees among pupils eligible for PP.
5	Increased involvement in wider school activities and responsibilities e.g. Student Council, UNICEF Ambassadors, Peer Mediators, clubs and visits.	Increased participation by individuals in after school activities and wider school activities, some taking on key roles in school.

Planned expenditure							
Academic year	2019/20						
How we will use t	he pupil premium to impro	ove classroom pedagogy, provide targe	ted support and support whole school s	trategies.			
Quality of teachi	ng for all						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Review		
Continued higher rates of progress for all of the Pupil Premium pupils	Staff CPD on high quality feedback and metacognition. Staff release and training costs (£2,000) Assistant SENCo employed to support those pupils who are PP but also SEN, coordinate and monitor interventions (£9,445) Investment in high level of teaching assistant support in Year 6 to ensure quality interventions can take place as well as	We want to invest some of the PP funding in longer term change which will help all pupils. Many different evidence sources, e.g. EEF (Education Endowment Fund) Toolkit suggest high quality feedback is an effective way to improve attainment, and it is suitable as an approach that we can embed across the school. We want to ensure that PP pupils can achieve high attainment as well as simply 'meeting expected standards'. Whilst the attainment and achievement of PP pupils is a collective responsibility, having an additional SENCo will support further those pupils who are PP and SEN and they can consider how	CPD selected using evidence of effectiveness. Staff twilight sessions to deliver training and monitor progress. Professional Learning Communities. Review of attendance, and particularly PP pupils, will ensure action is taken to address any attendance concerns. Monitoring, by SENCos, of interventions for all pupils to ensure pupils who fall behind are diminishing the difference and making accelerated progress. Meetings will explore research based interventions and practice which will be used in the school. CPD attended and training provided for	SLT	At assessment points throughout the year.		
	providing a full time 1:1 for a PLAC pupil. by the teacher and TA. (£30,840)	strategic decisions impact positively on PP pupils.	staff involved in interventions. Effectiveness of CPD feedback to research team.				
	Support EPEP outcomes for LAC pupils by contributing to the cost of learning tutors for pupils who need to make accelerated progress (£4,200)	Strengthening teaching and SATs preparation in Year 6 through SLT support will continue to ensure rigorous monitoring of standards of all groups of pupils. Weekly SLT and Year 6 meetings to discuss impact of provision to ensure PP children are monitored carefully.	Interventions evaluated regularly and strategy constantly revisited within the working group to ensure that PP provision is constantly evolving to the needs of the children. Continues liaison between SLT, SENCo and class teachers regarding emotional				

	Strengthening teaching and SATs preparation in Year 6 through additional SLT teaching support (PB, MS, LL and SB) (£41,496)		and social needs of PP children. Impact of this monitored and shared with parents. Non-teaching Deputy to continue to work alongside senior leaders to ensure that target setting for Pupil Premium children, as well as all children, is aspirational.	
Improved oral language skills for pupils eligible for Pupil Premium which impacts on their reading and writing ability.	RWI Scheme Staff training on RWI development. Staff Training on Reading and vocabulary (£1,500) Family Learning for Reception aged pupils. Release for key reception staff to lead Family Learning. (£5,831) Structured paired and group work CD ½ day per week (SLE for Literacy) (£5,900) High quality teaching assistants employed to deliver interventions to all pupils, including PP pupils who are, or at risk of, falling behind, including providing oral language interventions	Early literacy approaches have been consistently found to have a positive effect on early learning outcomes. Early literacy approaches evaluated to date led to an average impact of four additional months' progress, with the most effective approaches improving learning by as much as six months. Improved oral skills will have a direct impact on children's progress in writing. We want increase our expertise in practices to provide challenge and encouragement for these pupils. Overall, studies of oral language interventions consistently show positive impact on learning, including on oral language skills and reading comprehension. On average, pupils who participate in oral language interventions make approximately five months' additional progress over the course of a year.	Lesson Study to focus on Pupil premium children's active involvement in their learning. PP oral language monitoring. SLT (including SENCos) to monitor specifically impact of the oral language interventions. Regular learning discussion with staff. Regular observation of pupils at work. Termly book scrutiny.	

Purchase of high quality early language intervention package (approx. £500) Employ library assistant. Part of their role will be to work with PP pupils, supporting choosing books, additional reading time and vocabulary development (£4,576)	An engaging library with up to date books, lending library, e-readers and other IT resources will further develop enjoyment of reading, reading ability and subsequently raise attainment. Availability of the library for all pupils, particularly PP pupils, enables access to text, discussion and experience.		
ELKLAN – TA to deliver SALT intervention (£8,926)	ELKLAN is an accredited SALT programme	SENCO to monitor the progress of pupils on ELKLAN.	
Chris Quigley training for all teachers regarding curriculum, building cultural capital and experiential learning. (£2250)			
Planning, resourcing and delivering high quality first hand experiences for pupils to build on their cultural capital (eg. visits out, visitors into school, theme days in school etc) (£5,000)	It is proven that there is high value to providing children inspirational activities, building on their cultural capital, in engaging pupils and improving the quality of writing and associated work.	Regular learning discussion with staff. Regular observation of pupils at work. Termly book scrutiny.	

Increased confidence of Pupil Premium pupils within their class and around school	Focussed questioning regularly directed to PP children Roles within class include PP children Zippy's friends and PSHE programme (£1,500) Support families with purchasing uniform, school shoes, PE Kits etc. (£4,500 approx.)	Meta cognition has highly consistent levels of impact according to the EEF. Opportunities for the children to explain their thinking and their best ways of learning should enhance their progress. Ensuring PP children have correct uniform and access to their own PE kit will increase confidence and enjoyment of school.	Half termly learning discussion with staff. Half termly observation of pupils at work. Half termly book scrutiny.	SLT and all staff	Termly
Involvement in wider school activities e.g. Student Council, other responsibilities, clubs and visits.	Appointment of outside providers to provide longer and a wider variety of after school activities eg. Premier Sports Prioritisation of pupils selected for roles. Funding after school clubs, visits, residential visits for PP children (£13,000 approx.)	Involvement in sports and arts participation (clubs) are seen to have wider benefits on attitudes and wellbeing as reported be EEF.	Tracking of participation of pupils in wider school activities. Discussions with pupils and class teaching team.	SLT and all staff	Termly

Ensure all Pupil Premium pupils attend well. Increase attendance of persistent absentees to be more in line with whole school average Designated teachers responsible for monitoring attendance, including PP pupils. Release time and cover to anaylse attendance, meet with parents/carers, feedback to teachers, meet with pupils. (£2,014)

Provide additional incentives for PP pupils who are persistent absentees to attend school regularly. (£1,500)

Continue to focus on attendance rewards and systems for addressing persistent absentees.

PP persistent absentees and vulnerable children invited to attend Breakfast Club and Kids Club (£7770) 'So what' information ensures action is taken swiftly and changes in attendance are quickly addressed.

The EEF Research 'Magic Breakfast' scheme found that schools who ran breakfast clubs before school made an average of +2 months additional progress for pupils.

This research also suggested that where these clubs took place, there was also an improvement in the behaviour of pupils. It argued that breakfast clubs provide an opportunity to improve outcomes for all children not just those who attend breakfast club, through better classroom environments. 84% of schools who took place in the trial believed that it had an overall positive impact.

The research also suggested benefits socially for children, as they provided children with an opportunity to mix with a new group of peers and make new friends. This can have a positive impact on their self-esteem.

pupils by key staff, HoS and EHT.
PP pupils with lower attendance picked up swiftly and acted on.
Outcomes
Regular learning discussion with staff.
Regular observation of pupils at work.
Termly book scrutiny.

3 weekly monitoring of attendance of all

			B		T
Ensure all Pupil Premium children's emotional needs are met.	Access outside agencies such as Counselling Service and Play Therapy. £40 per session (£2,500 approx.) Teacher trained in Level 3 Counselling to work with children and families – cost of release cover ½ a day per week to work with specific PP pupils (£5,813) Employ highly skilled teaching assistant as Mental Health First Aider and Pastoral Support 5 x pms (£13,088) Continued professional development of Pastoral support TA (£500) Taking part in the Caring to Learn Project. Release time for SENCo to attend training, monitor outcomes of LAC/PLAC pupils and collate impact to submit to researching university (approx. £1,500)	Specialist support in place and advice which school staff in school and parents/carers can also utilise to benefit children and their self -esteem. Increased emotional confidence and more positive attitudes to learning. This programme of counselling has a huge impact on children at times of difficulty. There have been marked improvements for pupils who have attended. A teacher (who is part of the Safeguarding Team) trained as a counsellor will provide children and families with additional access to a counsellor. Ongoing pastoral support, closely tailored to the needs of the child, has a positive impact on emotional needs and hence academic achievement. Bourne Abbey continues to work alongside the Virtual School and the Caring To Learn team to create an innovative and sustainable multidisciplinary approach to improving academic outcomes, progress, life choices and opportunities for all Lincolnshire children in care and those on the edge of care through strong and sustainable relationships across carers and schools.	Discussions with pupils and class teaching team. Needs to be maintained as part of our offer, prioritised to PP children.	SLT and SENCo	Termly

Total budgeted cos	£176,129

4. Impact on Standards

Academic year 2019-2020

Attainment at the end of 2019/2020 (% of pupils meeting the Expected Standard or above)

Unlike in previous years, we cannot provide a data picture for the academic year 2019-2020 due to Covid-19 school closure from 20.3.2020.

We have a data picture up until March 2020, which includes careful monitoring of those in receipt of Pupil Premium. Rigorous analysis of the data from March 2020 Assessment Point has been undertaken. From this, clear provision maps were written, identifying vulnerable groups, in preparation for the children's return in September 2020. These have been updated following detailed baseline assessment of all pupils in September 2020. During lockdown, PP pupils were provided with high quality home learning which was monitored by teachers and members of the Senior Leadership Team. For those PP pupils who were able to return to school on June 1st, learning resumed in smaller bubbles which enabled the children to progress academically, whilst ensuring their mental health and wellbeing needs were also met.

Provision is in place for children to 'Catch-Up' and diminish any difference as a result of school closure due to COVID-19. Regular Pupil Progress Meetings will be held for any pupils not making expected progress. A key focus will be all PP pupils, including those who are more able. Please see our Pupil Premium Strategy Statement for 2020-2021 which will be on our school website after it has been agreed by the Local Governing Body in October 2020. Attendance of PP pupils will also be closely monitored and children who are absent due to Covid-19, including class bubbles, or if school goes into lock down will receive high quality online learning and pastoral support for those who are vulnerable.

Please also see Abbey Academies Trust's 'Catch-Up' or 'Flying High' plan. We refer to these strategies and approaches as encouraging children and staff to: 'Fly High.' This is in keeping with our Trust's ethos and will help ensure that our staff, children and parents/carers see such support in a positive light and as an opportunity to achieve and improve.
