How to Learn Number Bonds with twinkl: A Guide for Parents

This is just a selection of our resources, have a look here for plenty more!

Numbers Bonds to 10

- With the aid of matching illustrations, these food themed number bond cards will help children look for pairs of numbers to make 10.
- By using the number bonds to 10 shell sheets, children will become familiar with number pairs to 10. Fold the number shell pairs and ask children to say the number on the other side which makes 10 then children can check their answers to see if they are right. Once confident, cut up the shells and create a matching number bonds to 10 game. Similar to the shell version, there is a love heart, butterfly and building brick set.

Building Brick Number Bonds to 10

Number Bonds to 100 on Ancient Vases

- Create an Alice The Camel Number Bonds to 10 set.
- How many number bonds to 10 can be found using this number search activity? Click this link for the number bonds to 20 version.
- Work on adding 3 numbers using these challenge cards by looking for number bonds to 10 to make it quicker and easier!

Number bonds to 20

- Print and cut out these jigsaw pieces then have fun matching up the number pairs to 20.
- Play Number Bonds to 20 bingo!
- Use the number bonds to 20 shell sheets, as above.
- Play snap with these Matching Animal Cards.

Number bonds to 100

- These multiple of 10 acorn number bonds to 100 cards are fun to match up and will help to speed up mental recall.
- Work on number bonds to 60 first using the ancient vases resource before moving onto number bonds to 100 which come in a selection of designs including ancient vases, butterflies and building brick characters.
