Maths: All about the Number One

Home Learning Challenges

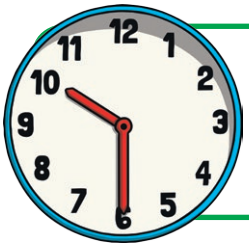

1

Draw or paint a picture of a sunny day. Can you draw or paint 1 sun and 1 cloud in the sky? Can you also draw or paint 1 house and 1 tree?

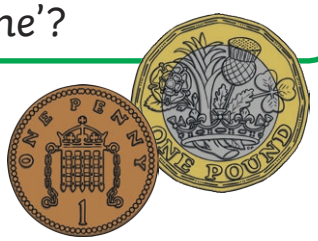

Hidden around the page is a dog. Can you find it? How many spots are on the dog's back? Try writing the numbers to complete this sentence: I can see ☐ dog. The dog has ☐ spot on its back.

Have a look at some postage stamps. Can you see any numbers? Can you make your own first class stamp with 1st written on it? You could make a collection of stamps that have 1 written on them.

Look at a clock, can you see the number 1? Where is it on the clock? What numbers it next to?

Ask a grown-up to help you look at some coins. Can you find any 1p and £1 coins? Can you do some coin rubbings using paper and pencils or crayons? Can you see the numbers or the word 'one'?

Have a look at a reading book. Can you find the page numbers? Can you find page 1? Can you see the number 1 on this page too? Can you trace over the numbers at the bottom of the page? You could try writing the number 1 on your own.
