Hiring of Abbey Academy Trust Premises

Our Academy Vision

We are a community in which everyone is offered the opportunity to fulfil their full potential, to understand themselves and be valued for who they are. Through a stimulating and challenging learning environment, we pursue academic excellence and seek the flourishing of all. This is because we know we are all God's children.

“Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as you ever can.”

John Wesley

Use of School Premises

The use of school premises both during and outside school hours is under the control of the Local Governing Board, subject to any directions that may be given (e.g. concerning the availability for community use) and other statutory requirements.

The Executive Headteacher/Head of School and Governors must be assured that the purpose for which the premises are hired will not result in controversy, disrepute, legal action or disorderly behaviour. This includes ensuring that the premises will not be used for any extremist or terrorist activities or for the dissemination of extremist views or materials.

When making a decision to let school premises guidance issued by LCC Safeguarding in respect of managing safeguarding when working with self-employed people hiring school premises to provide regulated activity to children should be taken into account.

Responsibilities of the Governing Body

The Governors will ensure that the area and any furniture or equipment being hired is in a suitable condition for use by the hirer.

The Governors will ensure, as far as is reasonably practicable, that there are no risks to health and safety.

If the accommodation is to be used at night, suitable fire exit and emergency lighting to escape routes will be in place to allow users to evacuate safely.

All areas that are hired will be accessible to people with special needs and disabilities.

The Governors are responsible for the security of school premises when they are hired out to other users. Keys will only be given out to hirers in exceptional circumstances and must be signed for. The responsibility for the security of these keys will be with the hirer. If keys are lost or misplaced the school must be notified immediately. There will be a charge of £100 for the replacement of lost keys.

If keys are not granted, the premises must be locked/unlocked by an employee engaged by the school.

Conditions of Hire

Any bookings are processed through the Chief Operating Officer/Senior Administrator.

For every hire (with the exception of repeat bookings) the Hirer must complete, sign and retain a copy of the Application for Hire of School Premises (Appendix B).

By signing the Agreement Form the Hirer agrees to the terms set out in the Conditions of Letting (Appendix A).

All Hirers should make themselves aware of the emergency procedures, fire-fighting equipment and information displayed in the area of hire.

The Hirer must ensure that the area and any furniture or equipment being hired is in a suitable condition for use.

No smoking is allowed in any area of the school and its grounds and is made clear in the conditions of hire.

The Governors retain the right to refuse or cancel any booking.

Insurance

All hirers should be covered by public liability insurance. A copy of the certificate must be provided prior to the letting.

Charges

Governors retain the right to fix whatever charge they consider is appropriate for hire. This will include consideration of the additional heating, lighting and cleaning costs associated with an out-of-hours activity as well as any overtime payments to staff to open and close the premises.

The Governors reserve the right to subsidise certain users.

Fees should be paid within 30 days of invoicing.

VAT

Charges for hiring of halls and classrooms are usually exempt from VAT. Sports facilities are subject to VAT except when certain conditions are met for a series of ten or more hiring by a school, club or association.

The hire of catering facilities for use by the hirer will similarly be exempt from VAT but any catering provided by the school to the hirer will be standard rated.

Breakfast and After School Clubs and Activities

If these are organised and run by the school, no licence, lease or hire agreement is required. A member of school staff must be involved in every session.
