

PSHE -

Will see Year 3 following Apple on his journey in Apple's Friends. As well as learning how to keep the environment clean and tidy by following the ways of Pete the Badger in the book Tidy by Emily Gravett.

PE -

We will be starting our new topic of dance and continuing our multi-skills to make us all round super athletes!

History -

This term we are going to be learning all about the origins of fairy tales and getting to grips with famous authors such as Brothers Grimm and finding out all about traditional tales and how they have changed over time.

Mathematics -

We'll continue our multiplication and division work, including multiplying and dividing 2 digit numbers! We will also be starting our new money topic!

DT -

Designing and making our very own toys with moving parts (pneumatic mechanisms!) is on the agenda this term, inspired by the book, *Inside the Villains*. Which villain would you make?

Computing and ICT

We will create and present our own book trailer; bursting with suspense.

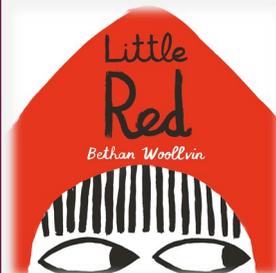

Art and DT -

Sketching our class trees, recreating Bethan Woollvin's amazing illustrations and taking inspiration from Anthony Browne's book - *Into the Forest*.

English -

We will explore a number of our favourite fairy tales, examining common themes and conventions. We will then use this to help us plan and write our own setting and character descriptions; and our very own fairy tales!

During this enchanting topic we will be linking Spiritual, Moral, Social and Cultural (SMSC) aspects to stranger danger and how we can stay safe if we are venturing out without our parents. We will also take the time to think about children who are less fortunate than us and do not have loving family and friends surrounding them.
