# Mission: Into the Unknown

Year One Pupils,

Your mission for Terms 3 and 4 is to venture into the unknown! You are invited to 'meet' four heroic explorers from history to compare and contrast their amazing journeys. We will be travelling back more than 300 years to learn about Christopher Columbus and his voyage of discovery to the New World, then we will be comparing his life and exploration with that of Scott of the Antarctic. After that, we will be travelling a few years further in time to fly with Amelia Earheart before comparing her adventures with those of astronaut Neil Armstrong - a man who has been where few have followed! Throughout Terms 3 and 4, we will be focussing on the heroism, gallantry, perseverance and courage of each of our four explorers to attempt something that no-one else had achieved before.

Whether you are learning in school or at home, we are excited to share our whole creative curriculum with you and look forward to seeing the fabulous work that you do! As always, if you have any worries or queries, please contact us via the school email.

We look forward to travelling with you on this journey!

We love to share our reading so remember to have your reading book and diary in school every day. If you're at home, don't forget to read to an adult, a sibling or even to yourself.

You could send a message to your teacher on Seesaw to tell them about a book you're enjoying at the moment!

In order to keep our bodies expedition ready, we will continue to have PE every week so please make sure to bring your PE kit with you if you're in school. If you're completing your work at home, have fun joining in and don't forget to warm up and cool down!

Article 28: Every child has the right to an education

Article 29: Every child has the right to be the best they can.

Article 12: Every child has the right to say what they think should happen and have their views listened to.
