

There's Two Sides to Every Story!

2021 started with mystery and intrigue for us! We discovered a rather unusual crime scene within Bourne, a crime scene that would suggest we had been visited by some rather mischievous characters, fairy tale characters no-less! As a result, we have decided to spend this term going on a journey of discovery. We intend to delve into the lives and times of fairy tale characters, getting to grips with their personalities, their backgrounds and possibly, their motivations. We'll also be looking at their habitat and origins, in an attempt to understand these unusual beings more thoroughly. Once we have done this, we will begin to formulate our own plans for them, mapping out our own adventures and plans for their futures.

In Maths, we will be continuing to develop our speedy recall of our times tables. We'll consolidate our 2, 3, 4, 5, 8 and 10 times tables. We're also going to be learning different (formal) methods of division and multiplication.

Then, we begin learning all about money. Counting, converting and giving change! We are hoping to become money masters by the end of the term!

Finally, we will finish off the term with some super statistics!

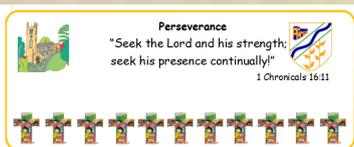

Thank you for all your continued support and hard work during these trying times. If there is anything you need any help or support with, please contact the main office who will be pleased to help. We will continue to interact, communicate and provide feedback via SEESAW every day.

In Art, we will analyse Bethan Woolvin and Anthony Browne's brilliant illustrations, identifying similarities and differences in their styles and producing our own wonderful interpretations illustrations.

In R.E, we will begin our Understanding Christianity unit 'What do Christians believe God is like?' where we will be looking at the parable of the Lost Son and the story of Jonah. Through these stories we will investigate the concept of forgiveness and think about how these stories can help us make the right choices in our day-to-day lives.

Remember to practise timetables and spellings using Rocks Stars and Spelling Shed! Your spelling test will be held every Friday. Continue to read as much as possible.

Our new Christian Value for this term is Perseverance.
