

# Who let the Gods out? Year 5

This term we are studying the Groovy Greeks. Unfortunately, taking a field trip to Athens to visit the ancient sites is not within our reaches but through our study of Ancient Greek life, architecture and Greek mythology we will give the children a true flavour of what life in Sparta and Athens might have been like.

## You are all Superheroes!

Your Y5 teachers want to say a HUGE well done and thank you for helping with the amazing enthusiasm and perseverance with the home learning this term. We love seeing it on SEESAW so keep going!

## Can your child become a Times Table Rock Star?

Times Table Rock Stars continues! We now have a number of Rock Stars and Legends in the year group. Secure and fast knowledge of tables facts remains a key part of children working confidently in maths so we encourage the children to keep on rocking.

## Dive Into Maths!

This term will be focussing on area, perimeter, fractions, decimals and percentages.

## Extreme English!

In English this term, we will be completing a study of myths from the Greek era. The children will share their experiences through some fantastic setting descriptions. Our class read this term will be "Who Let the Gods Out" by Maz Evans.

## Get those hearts racing

During lockdown we appreciate how hard it is to get outside and exercise but your teachers will be setting you some weekly PE lessons to get you up and active! Remember to try to exercise once a day, this can be some yoga, PE with Joe, a run around the garden or taking the dog for a walk. Try to stay fit and have a rest from your screens and above all have fun!

**Article 28: Every child has the right to an education.**

## This bit is for the children! Helping at home.

We know that you are all working so hard on your home learning but don't forget how important reading at home is too! You could help out by reading to your younger siblings as well as to your mums, dads and carers. Remember to use your Reading Dogs bookmarks to help you think about the story and characters even more.

What else could you do to help at home as during lockdown life can be challenging for everyone? Could you help to make meals, Hoover the house, make your bed or tidy your room? Could you think of an act of kindness each day to put a smile on your family's faces and make yourself feel good?

## R.E and Christian Values

In R.E we will be studying the themes of Salvation and Incarnation, including how and why people reacted differently at the arrival of the Messiah. Our Christian values this term are Perseverance and Courage, reflecting on what the bible tells us about perseverance. During this exciting topic we will be studying some of the Spiritual, Moral, Social and Cultural (SMSC) aspects of Greek life by investigating the development of democracy during the Greek era and examining how girls and boys were treated differently in the isolated city states.

Should you have any worries, concerns or questions throughout the term please feel free to contact your teachers via email at school at anytime.

Your Y5 Teaching team!

**Our Christian values this term are: Courage, Compassion, Forgiveness and Perseverance.**

"Stay alert, stand firm in the faith, show courage, be strong."
