OUR VISION

At Bourne Abbey C of E Primary Academy we have a vision of a community in which each person is offered the opportunity to fulfil our/their full potential, understand ourselves/ themselves and be valued as individuals as we are ALL made in God's image and are ALL children of God.

The Collective Worship Council summarised our vision into three key points:

We are all children of God
We want a chance to do our best
We include everyone in our school community

"Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as you ever can."

WE ALL ARE AGENTS OF CHANGE!

Being an Agent of Change is a key part of the Christian nature of Bourne Abbey C of E Primary Academy. It sounds like the job of a super hero doesn't it? It is an incredibly important role, but anyone (absolutely anyone) can be an Agent of Change. We all have the power to do something, to change one thing that can have a positive effect on the people or world around us.

We would like to take the time to celebrate two individuals, both in Year 5, who have been incredible Agents of Change!

Leo Flatters

Leo has set himself the challenge to cycle 100 miles to raise money for the charity 'Little Miracles'. This hasn't been easy for him but he has shown true courage to give back to the organisation which supported him and his family. As an Agent of Change he has managed to raise even more than he was hoping and should feel really proud of his achievement.

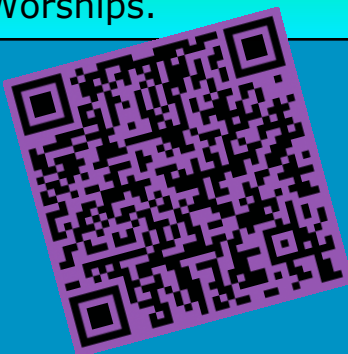

Harry Cowley

Harry has taken part in the incredible fundraising project "Walking Home for Christmas" which raised money for Walking with the Wounded. Harry has a real interest in veterans and recognising their bravery. He and his family walked together to raise more than £1000 for this worthy cause.

COLLECTIVE WORSHIP

Collective Worship is our daily opportunity to reflect, connect spiritually and to come together virtually to share our Christian ethos. We have been working together (pupils, staff and members of our community) to create recorded Collective Worship to share within our class bubbles, on our website and with the wider community. The Collective Worship Council members took part in our Easter service, sharing readings and poetry as we would have done in church. OUR CHRISTIAN VALUES

Last term we thought about our Christian Values of Forgiveness and Compassion. During our socially distanced Collective Worship Council meetings the representatives discussed what forgiveness and compassion means to them. Here are some of our thoughts: Honor in Y6- "Compassion is all about having love and care for each other, even if it is your neighbour or someone on the street. Through these tough times it is important we all show compassion to one another, especially our key workers." In terms 5 and 6 we look forward to reflecting on the Christian Values of: Trust, Hope, Thankfulness and Humility.
