

# Would you invite a pirate to tea?

Hoist the anchor, we're going on an adventure!

## Ahoy there matey!

This term we will be making a map and following clues to the terrific treasure before weighing our loot! We will build a boat to travel to a desert island and send a message in a bottle to our pirate friends.

## Second star to the right...

We will be using the story of Peter Pan as the inspiration for some of our learning this term. We will be exploring capacity to make potions that will send the fairies back to Neverland.

## It's a pirate's life for me!

We will start our Pirate topic in style with our Pirate Day on Tuesday 20<sup>th</sup> April. We will get into character by wearing our best pirate outfit and learn how to talk to our crew mates like real pirates and learn to chant some spectacular sea shanties!

## Terrific Treasure...

We will be thinking about objects and people that we treasure and how they make us feel whilst also looking at the qualities needed to be a helpful and trustworthy friend.

## Our Christian Values

We will be thinking about Hope, Trust, Thankfulness and Humility.

Thank you for your continued support. Please get in contact if you have any questions or worries.

Kind regards,

The Reception Team

**Article 29:**  
Every child has the right  
to be the best they can.

*"Hope is believing that  
something good will happen"*

Reception Summer Term 2021
