

Magical Maths!

In Maths we will be exploring 'Maths Mastery', allowing the pupils to develop strategies that can be applied across their Maths learning. We will begin by thinking about using numbers all the way up to 100. We will be using these numbers when exploring place value and addition and subtraction.

Special Visits

We will be visiting Delaine Bus Depot and seeing how Bourne's blue bus has changed over the years! We will also be looking at vintage cars.

RE

Exploring Islam, what it means to be a Muslim and how Islam impacts on daily life.

Science

Animals, including humans.

PE

'Fundamentals' PE skills.

Computing

E-safety and Programming.

Epic English

Looking at stories, exploring characters and familiar settings and beginning to think about what poems we like and why!

Art and DT

Drawing lines, tones and shading.
Designing a model vehicle.

History

Exploring transport in the past such as the first car, Delaine Buses and The Wright Brothers.

PSHE

New beginnings and Zippy's Friends.

During this exciting topic we will be studying some of the Spiritual, Moral, Social and Cultural (SMSC) aspects by listening to our peers ideas on Election Day and voting for our new School Councillors. In History we will be exploring how people's lives have changed with the invention of new types of transport. In R.E we will be comparing how Muslims live their lives and the similarities between this and our own lives.

Our Christian values this term are 'Respect & Reverence' linked with 'Creation'. In term 2, we focus on 'Peace', linked with 'Friendship'.

Year 2

Oh, the Places You'll Go!

English	
recount	first
next	after
finally	poetry
rhyme	verse
pattern	alliteration
repetition	narrative
description	retell

Topic	
transport	past
present	compare
