Dear Parents and Carers,

SEESAW - HOMEWORK

Firstly, can we please thank you for your continued support with your child/ren's homework. We continue to be WOW'd with the children's 'Take Care' homework and the time and effort that children, and you, put in to supporting their wider learning.

Following parental feedback, we have decided that, should they wish to, children can submit their homework using Seesaw. This can be in the form of photographs, videos or scanned homework for example. Of course, children can also continue to bring their homework to school and we would encourage the large topic related models to still be brought in as it is always so lovely to see and share these.

Year 6 will continue to have their weekly Maths and English homework which should be brought into school to be marked on Fridays but they may share their homework from the Year 6 'Palette of Choice' via Seesaw.

Should you have any questions please do not hesitate to contact your child's class teacher.

Yours sincerely

Mrs S L Buttress
Head of School
