27th January 2022

Dear Parents/ Carers,

RECEPTION PATTERN DAY

This term we have been learning about different animals and their habitats. Not only have we been learning about the Arctic and Antarctic and the animals that live in a colder climate but we have also been learning about those animals who prefer a warmer climate. We have looked closely at elephants and in particular Elmer - the elephant in the David McKee stories.

To support this, we would like to invite children to our very own Bourne Abbey Elmer's Day Pattern Parade. You will know from our Curriculum Newsletter that this is to take place next **Friday, 4th February** and we would like all the children in Reception to come in their brightest, most patterned clothes on that day. Throughout the day we will be involved in a range of activities that will include pattern work, special hats and a parade all within their bubble.

Yours sincerely

Miss H Bergmann
Year Leader & Assistant Head
