27<sup>th</sup> January 2022

Dear Parent / Carer

## **YEAR 2 ASSEMBLY**

We would normally invite you into school this term to share an assembly which showcases the children's learning about the Great Fire of London. However, we have reviewed our arrangements in light of COVID-19 and have taken the difficult decision that, given the size of the year group and the KS2 Hall, and an increase in cases of Coronavirus in our school community, we are unable to invite parents and carers into school in a COVID safe way.

You will have seen from our dates for diaries that we therefore plan to release a link for parents and carers to a virtual assembly on Thursday 10<sup>th</sup> February. We'll write out to you again on that day with the link.

The children are really excited about sharing their learning with you.

Yours sincerely

Miss J Schaffer  
Year 2 Leader
