# Mission: Into the Unknown

Year One Pupils,

Your mission for Terms 3 and 4 is to venture into the unknown! You are invited to ‘meet’ four heroic explorers from history to compare and contrast their amazing journeys. We will be travelling back more than 300 years to learn about Christopher Columbus and his voyage of discovery to the New World, then we will be comparing his life and exploration with that of Scott of the Antarctic. After that, we will be travelling a few years further in time to fly with Amelia Earheart before comparing her adventures with those of astronaut Neil Armstrong - a man who has been where few have followed! We will be rocketing into Term 4 with a visit from StarLincs Planetarium on **Monday 28th February 2022**. Throughout Terms 3 and 4, we will be focussing on the heroism, gallantry, perseverance and courage of each of our four explorers to attempt something that no-one else had achieved before.

We are excited to share our whole creative curriculum with you! There will be so many fantastic opportunities during our mission - we will try Hard Tac; make our own Spaceman Salad using home-grown ingredients; and make sea, sky and space-inspired artwork.

We look forward to travelling with you on this journey!

We love to share our reading so remember to have your reading book and diary in school every day.

In order to keep our bodies expedition ready, we will continue to have PE every week on the following days:

Miss Treadwell - Monday and Wednesday  
Miss Devereaux - Monday and Wednesday  
Miss Campbell - Monday and Friday

Please make sure your **INDOOR and OUTDOOR kit** is in school everyday in case of last minute timetable changes.
