9th May 2022

Dear Parent/Carer

**Visit to the National Space Centre, Leicester
14th June 2022**

To mark the end of our Space topic we have arranged for Year 5 to visit the **National Space Centre, Leicester on Tuesday 14th June 2022**. The Space Centre has a wide variety of interactive hands on galleries for children to explore including topics such as: How are stars formed? What is gravity like on other planets? What is it like to be an astronaut?

Also included as part of our visit will be a Planetarium Show. Children will be able to experience one of the most amazing shows all about space in the 360 degree Planetarium.

We will need to leave school at 8.15 a.m. and **your child should therefore be at school for 8.00 a.m.** on the day please. We expect to arrive back at approx. 3.50 p.m. Drop off in the morning and collection at the end of the day will be via the Manning Road gate. Children should wear normal school uniform and bring a packed lunch.

We are asking for a voluntary contribution of **£20.20** per child towards the cost of the event. Please be aware that as a school we cannot go ahead if we run the risk of making a loss and this event will not therefore go ahead without sufficient support.

Consent and payment should be made by ParentMail +Pay by **Friday 10th June 2022**.

Thank you for your continued support.

Yours sincerely

Mr J Shore
Assistant Head & Year Leader
