30th June 2022

Dear Parents and Carers,

In September, we intend to make the exciting move from paper-based reading diaries to digital ones. These diaries will be accessible through the Go Read App and website. We hope this move will enthuse and enable more children and parents/carers to regularly record their home reading.

In preparation for this transition, we are delighted to be able to give the children, parents and carers in Year 4 the opportunity to begin using the app in Term 6.

The children will be introduced to this app within school and will very shortly come home with their login and yours. All school and home reading material can now be recording using this app instead of using the paper diaries. Details of how to download the app or use the website to login are included on the attached leaflet.

We hope both you and your child find this an accessible, easy and enjoyable way to record your reading at home.

Should you have any further questions please speak to your child's class teacher.

Yours sincerely

A handwritten signature in black ink that reads 'M. Shears'.

Mrs M Shears
Deputy Headteacher
