Dear Parent/Carer

EXTREME WEATHER

In response to a number of queries from parents/carers we would like to take this opportunity to reassure you that, following advice from the DfE, we have no plans to close school due to the extreme weather that is forecast for the beginning of next week.

As usual in hot weather you should ensure your child(ren) have sun-cream applied before coming to school and bring a hat with them. All children should have their water bottles in school and will be encouraged to keep hydrated.

Children should wear school uniform but please do remember that both boys and girls may wear shorts. White polo shirts will support in keeping children cool and may be worn untucked.

Playing outdoors may be limited and children will be encouraged to stay in the shade as much as possible.

Windows will be opened as early as possible in the morning to maximise ventilation at the coolest part of the day.

As is our normal practice in extremes of weather, we will be mindful of the conditions each day and adjust our routines and planned activities accordingly to ensure that we keep everyone as sun safe as possible.

Thank you for your support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S J Moore'.

Mrs S Moore
Executive Headteacher
