

# SEND Coffee Afternoon

**Date:** Monday 3rd October 2022

**Time:** 2:00pm - 3:15pm

**Location:** Bourne Abbey, Main Library

As a parent or carer of a child with special educational needs or disabilities, life can be challenging at times but you are not alone. Here at Bourne Abbey, we would like to continue to build a support network of parents/carers and staff to listen, share ideas and offer advice in a friendly, informal environment.

Please pop along to our first coffee afternoon of the new academic year to talk about possible support available and to have the opportunity to chat to other parents.

You will be able to sign up via ParentMail.

We look forward to seeing you there!
