7th September 2022

Dear Parents and Carers,

This academic year, we have made the exciting move from paper-based reading diaries to digital ones. These will be accessible through the Boom Reader website/app (formerly Go Read). We hope this move will excite and enable more children and parents/carers to regularly record their home reading.

Children will be introduced to the website within school and will very shortly come home with their login and yours. All school and home reading material can now be recording using this app instead of using paper diaries. Please feel free to record any reading that you complete with your child from their school reading book, bedtime stories to reading the newspaper together- anything and everything! The children will be rewarded for reading by earning gems which can be used to purchase items in the app.

Details of how to download the app or use the website to login are included on the attached leaflet.

We hope both you and your child find this an accessible, easy and enjoyable way to record your reading at home.

Should you have any further questions or difficulty accessing the Internet please speak to your child's class teacher.

The English Team
