Dear Parents/Carers,

Online safety can be a bit of a minefield and many parents/carers have lots of questions of how they can not only keep their children safe but also let them enjoy the benefits the online world brings.

We would like to share with you a special Question and Answer session for Parents and Carers provided by Lincolnshire Stay Safe Partnership with Dan Hawbrook, Online Safety Officer. Dan has previously delivered workshops to parents/carers and children within our academy trust, covering a range of e-safety topics.

The free workshop 'A Date with Dan - Q and A for Parents and Guardians' will take place on Wednesday 7th December at 18:00-19:00.

The session will cover whatever you want to know, whether that's about specific apps, game ratings, parental controls or any other burning question. If you are interested in joining this free session, then please register using the link below.

We do hope you find the session useful.
