19th October 2022

Dear Parents/Carers,

Year 4 Assembly

Thursday 17th November 2022

Wow! What an amazing start to the academic year. The children have returned to school with great enthusiasm and adapted well to the new routines. We are particularly enjoying our History topic Veni, Vidi, Vici, which investigates the legacy of the Roman Empire. We have already seen their enthusiasm for the topic, not only in their learning in class but also in their wonderful 'Take Care' homework.

We are really excited to showcase our learning with our year group assembly on Thursday 17th November at 9.15 a.m. In preparation for our assembly, and to transport us back to the time of the Roman Empire we would like to invite the children to dress in either a Roman or Celtic costume.

Costumes can be very simple and do not have to be shop bought. Please see below for some ideas to help you, but feel free to design your own authentic creations. We will also be sharing ideas with the children in class over the next couple of days. Your child has been chosen to play the part(s) of _____.

Please could costumes be in school by **week commencing 31st October** so that we can begin rehearsing.

Yours sincerely

Year 4 Team
