Dear Parents/Carers,

Online safety can be a bit of a minefield and many parents and carers have lots of questions of how they can not only keep their children safe but also let them enjoy the benefits the online world brings.

Over two thirds of pupils surveyed in the LSCP 2022 Keeping Safe Online Survey indicated that they access their devices once they have gone to bed, and that many parents and carers don't know anything about what they do online. The survey also showed when parents and carers talked openly to their children about their activity online, those students were less likely to experience cyberbullying and more likely to access support.

We would like to share with you a special Question and Answer session for parents and carers provided by Lincolnshire Stay Safe Partnership with Dan Hawbrook, Online Safety Officer. Dan has previously delivered workshops to parents/carers and children within our academy trust, covering a range of e-safety topics and will chat you through different apps, online trends, parental controls and any other burning questions you may have!

The free workshop 'Ask Dan Anything for Parents' will take place on Wednesday 14th June 2023 6.00 p.m. - 7.00p.m. If you are interested in joining this free session, then please register using the link below:
