

Reception– Summer Term

Would you invite a pirate to tea?

*Hoist the anchor,
we are going on an adventure!*

Ahoy there matey!

This term we will be making a map and following clues to the terrific treasure before weighing our loot! We will build a boat to travel to a desert island and send a message in a bottle to our pirate friends.

It's a pirate's life for me!

We started our Pirate topic in style with our Pirate Day on Friday 21st April. We got into character by wearing our best pirate outfits and making telescopes to help us hunt for treasure!

Second star to the right...

We will be using the story of Peter Pan as the inspiration for some of our learning this term. We will be exploring capacity to make potions that will send the fairies back to Neverland.

Partake Theatre Company

On Friday 28th April we are lucky enough to have Partake come into school to take us all on an incredible adventure of imagination! We will dress up, sing, dance and travel around the world on our pirate ship.

Character Education

Our Character Education trait this term is Resilience.

 TAPESTRY
ONLINE LEARNING JOURNAL

Please continue to share 'WOW' moments from home through Tapestry. We would particularly like to see examples of the children showing Resilience– our Character Education trait.

"Hope is believing that something good will happen"

Our Christian Values

We will be thinking about Hope, Trust, Thankfulness and Humility.

*Thank you for your continued support. Our door is always open.
Kind regards,
The Reception Team*
