

Water, Water Everywhere

Year 5

Summer Term

Exciting English

In English, we will be working on our fabulous non-fiction writing. Our amazing work will be focused on balanced arguments, looking at the key features and writing our own arguments based on our previous learning on Victorian workhouses.

We will have a weekly focus on grammar and punctuation in order to 'fly high' and continue to build our knowledge and understanding.

Magical Maths

Over the course of the term, we will be focusing on decimals moving onto the properties of shapes and position and direction.

Artistic RE

This term our Christian Values are Trust and Hope. In RE, we will be focusing on pilgrimages.

We are Geographers!

This term, our topic is geography-based and we are so excited to learn more about our wonderful world. We will be learning about rivers around the world and have a visit from Anglian Water. Also, we have a trip to Nene Outdoor Learning Centre to undertake a river study. Finally, we will also be exploring North America.

Computing

In computing, we will be finishing our 'Creating Media' topic and also start studying creating and using spreadsheets effectively and as well as Selection Quizzes.

Each Week

Your interesting palette of choice homework is to be completed over the course of this half term and you may choose which activities to complete. Our PE days remain as Tuesday and Wednesday however, please do ensure you have your P.E kit is in school everyday as these days sometimes change.

Our Character Education trait this term is ...

Resilience

Should you have any worries, concerns or questions throughout the term please do come and see us so that any issues can be resolved as quickly as possible.
