Dear Parents/Carers

LANGUAGE ANGELS AT HOME

We just want to let you know that the Language Angels interactive games and karaoke app is now live on BOTH the Google Play store and the Apple app store. It is completely free and available to all pupils.

You can find the app by visiting either the Google Play store or the Apple App store and searching for 'Language Angels'. Look out for the angel character in the app icon so you know you're downloading the correct app.

We have created a simple login which all the pupils can use to access and use the app;

Username: la2023app

Password: la2023app

(NB: username and password are case sensitive)

When pupil's login they will have access to all of the interactive games and all of the karaoke videos.

The app is completely safe for pupils to use and there is no way for children to be able to contact or interact with anyone else on the app.

We hope you and your children enjoy using the Language Angels app.

Yours sincerely

L Pape
