Dear Parents/Carers

ONLINE SAFETY

Online safety can be a bit of a minefield and many parents and carers have lots of questions of how they can not only keep their children safe but also let them enjoy the benefits the online world brings.

In the Keeping Safe Online Survey of 2023 Lincolnshire, children who reported having less parental supervision online were more likely to report being bullied online, effective parent/carers supervision of a child's online activity reduced the risk of children being bullied online by up to 39%. The online space can feel overwhelming with new apps and trends, it can be hard to keep up! We want to give you the information and tools to help you feel confident enough to protect your children from online harm.

We would like to share with you a special Question and Answer session for parents and carers provided by Lincolnshire Stay Safe Partnership with Dan Hawbrook, Online Safety Officer. Dan has previously delivered workshops to parents/carers and children at our school, covering a range of e-safety topics and will chat you through different apps, online trends, parental controls and any other burning questions you may have!

The free workshop 'Ask Dan Anything for Parents/Carers' will take place on **Wednesday 6th December 2023 6.00 p.m. – 7.30p.m.** If you are interested in joining this free session, then please register using the link below:
