If you have any old keyboards or computer mice that you no longer require and would be happy to donate to us for our computing curriculum we would be extremely grateful.

Thank you in advance.

## NEW BABY

We are delighted to announce the safe arrival of Daisy to Miss Dronkers.

Mother and baby are doing well and I'm sure you will all join us in congratulating Miss Dronkers and Mr Durrant on the new addition to their family.

## CLOTHES DONATION

Don't forget to bring in your unwanted clothes, shoes and accessories on  
**Friday 23<sup>rd</sup> February.**

Unfortunately, we don't have the space to store donations before that date.

## SEVERE WEATHER

It's that time of year when adverse weather and particularly snow can impact schools. Can we please remind parents/carers that the school remains open unless otherwise indicated on the school website.

Closure information will be sent out by ParentMail as soon as possible.

Updated information will also be available on the school answer phone (01778 422163) if circumstances allow.

## ATTENDANCE

We thought it would be useful to remind you of the following with regards to attendance :

- \* Ensuring your child attends regularly
- \* Ensuring your child arrives on time
- \* Contacting school on the first day of absence. In the first instance you should telephone school on 01778 422163. If you do need to email please use [BAP.absence@abbeyacademies.co.uk](mailto:BAP.absence@abbeyacademies.co.uk) and not the enquiries email address
- \* Working in partnership by alerting school if there are any problems which may impact your child's attendance, punctuality and learning
- \* Not taking holidays in term time
- \* Arranging medical appointments outside of school time. We do understand this is not always possible. If your child has to be seen during the school day please ensure that they don't take the whole school day off for this

As always thank you for your continued support. Every Child Matters!
