

Year 1: Terms 5 & 6

Oh! What a Wonderful World!

Welcome to the Summer Term!

We can't wait to explore the wonderful world we live in! In English, we are introducing Paddington to the delights of Bourne, comparing our local town with Cusco in Peru. We'll be using our incredible imaginations to write a new story about Paddington's adventures. In Geography, we are going to be identifying the UK and its countries on a map and looking at the geographical features of Bourne and comparing these locations to Cusco in Peru. Our school visit from Zoolab where animals such as stick insects, giant African land snails and tree frogs will visit us so we can learn more about the wonderful world around us. This learning will help us to classify animals into groups in Science and recap learning about our senses.

In Term 6, Zoolab will be visiting our classroom with a range of animals to support our Science learning. We will also be visiting Bourne Abbey Church to support our RE learning. More details to follow!

Our Christian Values for Terms 5 and 6 are Hope and Humility. We will also be revisiting previous Christian Values of Trust and Thankfulness.

Our door is always open to discuss any small worries you might have. Please get in touch.

In order to keep our bodies in tip top shape, we will have PE every week on a Tuesday and Wednesday.

Please make sure your indoor and outdoor kit is in school every day in case of last minute timetable changes.

Homework will be checked weekly by class teachers. Reading books are changed on a Tuesday.

Our Character Education trait for the Summer term is empathy.

Please remember to have your reading books and diaries in school everyday.
