

Exciting English

We will start our English unit by studying balanced arguments linked to children's mobile phone use. In Term 6, we will be writing factual reports incorporating our space learning.

Magical Mathematics

Over the course of the term, we will be focusing on properties of shape before moving onto position and direction and decimals.

PSHE

Our final two pieces to our PSHE Jigsaw learning this year will explore building positive, healthy relationships and coping positively with change.

Our Bible memory verse for this week is:
"For I know the plans I have for you, declares the Lord, plans to give you hope and a future."
Jeremiah 29:11

PE

In Term 5- athletics and rounders.
Term 6- cricket and netball

DT and Art

In DT the children will be designing and creating space buggies and in Art we will be studying different styles including Modernist art.

Spanish

In Term 5, the children will be exploring different clothes in Spanish and in term 6 they will be describing a range of habitats.

R.E

In RE, we are exploring how faith is expressed through the arts including music, dance, architecture and paintings.

Science

As part of our Space topic, we will be exploring the different planets in our solar system, investigating the changes in the position of the sun throughout the day and the moment of the moon in relation of the earth.

Mighty Mountains (Term 5) To Infinity and Beyond (Term 6)

Computing

In computing, we will be finishing our 'Creating Media' topic and also start studying creating and using spreadsheets effectively and as well as Selection Quizzes.

Music

Term 5- Fabulous Fanfares
Exploring characteristics of various styles and traditions.
Term 6- Eco Warriors:
Performing, identifying and composing to an audience.

Geography

We will be locating different mountains around the world, describing their key features and how they were formed. Additionally, we will be exploring the climate lifestyles of people who live on mountains.
