

Bourne Abbey Church of England Primary Academy

You're invited to a

Phonics Information Session

On Tuesday 1st October

at 9.05am in the KS2 Hall

Phonics is an important tool to help children decode books and we want to work in partnership with you to support your child's skills and enjoyment in reading.

During the session the Year 1 team will be delighted to share with you:

- how we teach phonics in school
- what you can be doing at home to help your child with their reading
- what is involved in the Phonics Check and when it takes place
