Happy Hippos is for 2 to 3 year olds

Jolly Giraffes is for 3 to 4 year olds

## Abbey Ark

A place where children can access a high quality, purpose-built environment, build strong and lasting relationships with their peers and adults and feel settled and supported in a loving, caring Christian environment.

Here at Abbey Ark Childcare we strive to provide engaging and adventurous learning experiences in order to help secure the best possible start to your child's education. With highly qualified and experienced staff, we endeavour to deliver open-ended possibilities and a variety of stimulating ways to extend and enhance your child's learning journey.

We offer funded places for two, three and four years olds, and endeavour to start all children on a journey with a lifelong love of learning. We communicate regularly with parents and carers through the online learning journal, Tapestry. This provides instant accessibility to your child's journey and an insight into their day, taking the form of photos, videos and comments.

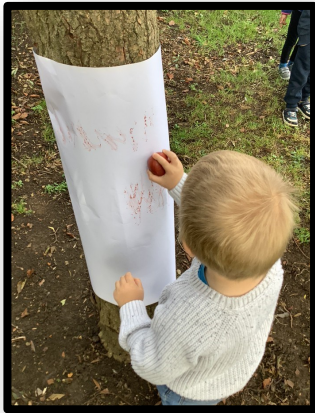

We believe that outdoor learning is an important part of each and every child's development and we offer constant access to well-designed outdoor provision, allowing children to develop skills and enhance their learning in a wide variety of ways.

We hope that all children feel welcomed into Abbey Ark and join our whole school family, where together we are striving for excellence and caring for all.

## Taster Sessions

You and your child will be invited to Abbey Ark for a taster session before they are due to start. This allows your child to become familiar with the Abbey Ark team, the environment, to play, to meet other children and to develop confidence. During this visit you will be given the opportunity to discuss your child's interests and development with the team. We work in partnership with you and your child so that the settling in period for your child runs as smoothly as possible.

Together we will help your child to experience the very best possible start to their education ~ an incredible learning journey full of excitement, adventures, new discoveries and of course lots of fun!
