4. The Role of the Representative.

Mrs A explained the roles of the representatives and we talked about the type of issues student council can take on. Councillors were asked to create a suggestion box for their class. Each meeting, councillors and their classes will select three suggestions to bring and stick those into their books on post it notes or small pieces of paper.

5. Lunchtime and Playtime Charters

The first job of this year's student council is going to be to recreate the lunchtime and playtime charters. These are to be discussed in class meetings and ideas brought to the next whole school SC meeting.

Meeting closed at 14:15. Next meeting date TBC.

Bourne Abbey British Values – we value democracy and make sure everybody has a say.

Class Meeting Agenda:

1. Talk to your class about the suggestion box - what goes in and what is a Year Leader/Class Teacher suggestion.

2. Talk to your class about charity aims for this year. Which charities do they want to support? How much should we aim to raise? Write down any ideas.

3. Talk to your class about the lunchtime and playtime charters. How can they be improved? Can the language be made more child-friendly and positive? Do the charters cover what we want them to?

Remember, if you are having trouble leading your meeting, ask your teacher to help; they will contact your buddy who will come and help you 😊
