1. Apologies and welcome:

Mrs Anderson opened the meeting and welcomed all. Apologies: Seb, Mia.

2. Meeting Feedback:

"Which character trait have you enjoyed thinking about the most, and what have you learned from our character trait focus each term?"

Empathy because it teaches us about others, integrity because it helped us to understand, self-belief because it gave us courage. Character Education helps people to respect each other for who they are, to believe in themselves, show more courage, be the best that they can be.

School Improvement ideas:

Y5 and Y6 trim trail - could it be cleaned periodically please? Bird poo etc.

Could Mr P check for shaky bars - some children have said it doesn't feel safe.

Also check for nails and screws (H and S) on the fence on the tiger mulch.

Environmental areas are full of stinging nettles - can these be strimmed back please?

Could we make a wildlife/wilderness area instead of bandstand?

Garden: please make sure that no one is destroying plants that are there. Respect and take care of the environment!

Talent show - anyone want to organise this?

What happened to well-being Wednesday?

Ping pong tables? Nets on the top of the astro?

No more funds will be available until the Y3/4 trim trail is completed!! Please pass on to your classes.
