

# Magical Me

Article 29:  
Every child has the right  
to be the best they can.

## Tapestry

Tapestry is a great way for us to be able to share your child's learning journey with you and a great opportunity for you to be able to see what we have been learning.

Please feel free to share any wonderful things that you have been doing at home with us too.

## Welcome to Abbey Ark Childcare!

We are delighted to welcome back all of the children and excited to really get to know one another this term through our starting topic of Magical Me!

We will be learning our new routines and engaging in lots of group activities to support our children to build and develop friendships, extend those vital personal, social and emotional skills, and help develop language and communication skills.

We will be creating self-portraits, learning to talk all about ourselves and develop self-confidence, self-esteem and resilience.

As we head into Autumn, we will also be observing the change in season and exploring the environmental area, looking for signs of Autumn and seasonal changes.

## Happy Hippos

The Happy Hippos will be engaging in lots of storytelling, singing of familiar nursery rhymes and having plenty of opportunities to encourage language development.

They will be participating in group games to help support and develop new friendships, using the parachute, ball games, and other circle time activities to help extend this.

## Jolly Giraffes

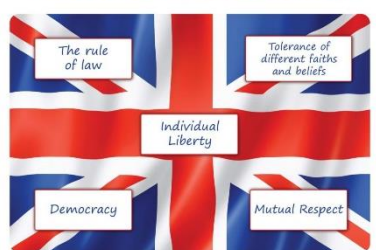

The Jolly Giraffes will be exploring their new learning environment and getting to know their Key Person.

We will be introducing Key Person Time, where the children will have the opportunity to form new friendships and get to know one another.

We will be sharing lots of stories, and conversations about ourselves and our families, talking about what makes us special and unique.

## BRITISH VALUES

The Christian Values we are reflecting on in Terms 1 and 2 are: Creation and Creativity.
